

PHONE and TABLET

You need to lock your phone for the time zone that your home terminal is in.

iPhone – Settings > General>Date & Time>turnoff set automatically

Be sure your phone is set to the time zone your home terminal is at

Android –Settings>Date & Time>Turn off automatic time zone

Be sure your phone is set to the time zone your home terminal is at

Down load the GEOTAB DRIVE app

HOS How to Video Guide:

<https://www.youtube.com/watch?v=OzASAt5SKBQ>

When using HOS you will need in the truck

1. HOS Direction on how to use the app (English)
2. Geotab Drive Compliance Letter
3. A blank HOS Log
4. A blank DVIR
5. A blank trip sheet
6. A copy of the hands free agreement (not mandated, but we recommend)

# Driver
